ENTHUSIASM!!!

I'm excited about the tremendous possibilities that are before us as a church family! The possibility of having a leadership team of elders in place is a desire of so many. The thought of us being scripturally organized with elders & deacons is our prayer that we hope God will answer. We've seen many visitors come and worship with us the past several weeks, some who continue to bless us with their presence is a great encouragement! Another example of the great enthusiasm that exists at Rosemark was Brother Kenneth Pulleys' words of encouragement last Sunday Evening concerning our "visitation and outreach efforts." You can truly see the excitement in his face and hear it in his speech as he talks about this good work. Matter of fact, in John McCain's prayer he specifically mentioned Bro. Pulley's excitement and then said, "It's a great joy to see that!" To that I say, "Amen!" Brother Kenneth – you are a tremendous cheerleader for the cause of Christ here at Rosemark and I appreciate that in you. Now for a Bible verse that each of us can apply to our lives concerning being more enthusiastic about the Lord's work. Romans 12:10 says in the New Living Translation, ***"Never be lazy, but work hard and serve the Lord enthusiastically."*** Brethren, a little enthusiasm will go a long way! Let's catch it!

Remember, God loves you and so do I, Tim
